Challenge: Cut out the tiles and place them face-down in a pile. When your teacher tells you to begin, flip them over and try to combine the tiles into words. Your goal is to make all **12 words** in the time your teacher allows. For each word created, you score **1 point**. If you can't create all of the words the first time, don't worry! You'll play more than one round to see if you can increase your score.
