

Get All 101 Word Wizard Games + Make Your Own!

If your students enjoy the following language arts game, and you would like to use it more, you're in luck! The full Word Wizard digital download has 101 of these incredible word games, plus a form-fillable template for creating your own! This allows you to use Word Wizard with your students every day. Yay!

Get the Full Download on TPT

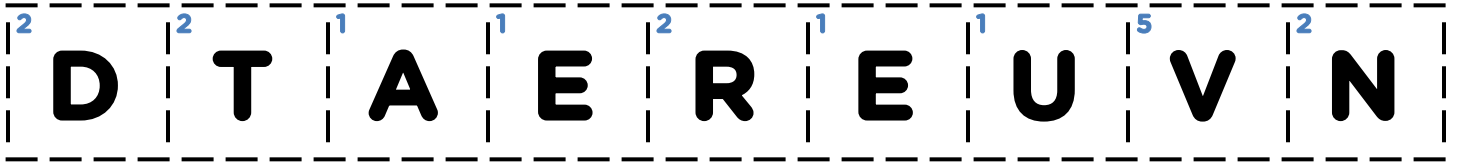

Word Wizard

#1

Challenge: Cut out the letter tiles below. Then, in the time allotted by your teacher, arrange them in different orders to make as many words with 3 or more letters as you can, and record them in the grid (along with the points scored) as shown. There's even a word to create that uses all 9 letters!

State Your Words!
