Mason Education

Subscription Price: Our website allowed you to choose a subscription price. Multiply that fee by the number of teachers subscribing, to figure your total payment amount.

Do not mail this invoice without including your subscription payment.

Purchase Orders: Please do not send us your purchase order, as it is not a payment, and we do not require it. You may still use a purchase order to track the expenditure internally, just as you do any other transaction, and then simply pay this invoice.

School Site Subscription: If you wish to subscribe a large number of teachers within your school building, you may purchase a site subscription for **\$499.99**. This will grant all teachers at your school access to, and use of, Quickela.com for 1 year. To do so, write "Site" in the "Price Per Teacher" field above and pay this flat fee.

Account Activation: Upon receipt of the payment, the contact listed above will be sent a receipt of purchase, along with instructions for activating the new accounts.
